

BHARAT INSTITUTE OF SECONDARY EDUCATION (BISE)

PROSPECTUS 2026–27

EMPOWERING EDUCATION

1. About BISE

- Bharat Institute of Secondary Education (BISE) is proposed as an autonomous educational board framework focused on accessible, structured and learner-centred secondary and senior-secondary education.
- The BISE framework is designed for Class X and Class XII, with senior-secondary pathways in Arts, Commerce, Science (Non-Medical) and Science (Medical), together with additional elective and skill-oriented subjects.

2. Vision

- To promote meaningful, accessible and competency-oriented education that prepares learners for higher education, employment, entrepreneurship and responsible participation in society.

3. Mission

- Provide a structured learner-focused academic framework.
- Encourage conceptual understanding, application and problem-solving.
- Integrate practical learning, digital literacy and life skills.
- Support flexible subject choices.
- Promote academic discipline, integrity, inclusion and lifelong learning.

4. Academic Pathways

- Class X – Languages, Mathematics, Science, Social Science and IT/additional subject.
- Class XII Arts – Humanities and Social Sciences.
- Class XII Commerce – Accountancy, Business Studies, Economics and Entrepreneurship.
- Class XII Science Non-Medical – Physics, Chemistry, Mathematics and Computer Science/elective.
- Class XII Science Medical – Biology, Physics and Chemistry.

5. Curriculum Approach

- Concept-based learning and clear learning outcomes.
- Application-oriented questions and real-life examples.
- Practical work, projects and field-based learning where appropriate.
- Digital literacy and responsible technology use.
- Communication, collaboration, creativity and critical thinking.
- Environmental awareness, health and wellness, financial literacy and life skills.

6. Assessment & Examination

- Theory examinations based on prescribed learning outcomes.
- Practical examinations for practical subjects.
- Internal assessment through assignments, projects, records, presentations and class tests.
- Viva where prescribed.
- Question papers should balance knowledge, understanding, application, analysis and competency.

7. Student Support

- Academic guidance and counselling through authorised centres.
- Study and examination guidance as notified.
- Practical/project guidance.
- Official examination schedules and notices through BISE channels.
- Student records and academic documentation as prescribed.

8. Admission & Registration

- Select class/stream and approved subject combination.
- Submit prescribed form and supporting documents.
- Complete fee payment according to the applicable schedule.
- Verify registration particulars.
- Receive registration/admit-card information through the authorised channel.
- Appear according to the official examination schedule.

9. Code of Academic Conduct

- Maintain honesty, discipline and respectful behaviour.
- Academic malpractice, impersonation, plagiarism and examination misconduct may attract action under BISE rules.
- False information or forged documents may result in cancellation.
- Follow centre, laboratory and examination safety instructions.
